General Information

Team Assignment Procedures

First priority is given to children who reside or attend a public or private school in the Auburn or Dieringer School District boundaries, including all Auburn street addresses. Participants must play in grade level in which they are currently enrolled (i.e. players are not allowed to play up or down a grade level). When registered by the published deadline players are assigned to teams by the following priorities:

1. Returning players are placed with the same head coach as the previous year, provided player attends the same school as the coach's child. Parents can request players not be retained by returning coach.
2. Non-returning players are assigned to teams based on the school they attend or would attend, e.g., home school, step program.
3. If there are enough registrations for more than one team from a school, teams are filled in the order registrations are received. The balance of players, if not enough for a full team, will be combined with another school.

If registered after the published deadline, players are assigned to a team by the parks staff. Assignments are based on the need for players on teams, not necessarily the school the student attends. Late fees may be assessed. Players from outside of the Auburn and Dieringer school district boundaries will be accepted after the deadline and assigned to teams as needed.

The City does not discriminate for any reason, to include discrimination on the basis of sex in the operation, conduct, or administration of its community athletic programs. Sports leagues that use City of Auburn public facilities are also forbidden from discriminating on the basis of sex in the operation, conduct, or administration of community athletic programs. Concerns or questions related to Sex Discrimination in community recreation program requirements should contact Brian Petty, Recreation Manager for the City of Auburn at bpetty@auburnwa.gov.

Coaches Needed

Volunteers are needed to make the youth sports programs a success. We are recruiting coaches and assistant coaches. Coaches are certified through the National Youth Sport Coaches Association (NYSCA). Contact us if you would like to assist with this year's program. Volunteer assignments are made on the basis of completing a City of Auburn volunteer application, signing and adhering to a coach's contract and a cleared Washington State Patrol background check.

Certification

NYSCA believes children deserve a wholesome experience in youth sports, which can only occur when coaches and parents become aware of the important roles they play as volunteers. The coach certification program covers the areas of social/psychological aspects of coaching, conditioning, the coach as a role model, practice organization, teaching the basic fundamentals and techniques, and child abuse training. The fee is \$20 per coach (Auburn Parks, Arts & Recreation pays certification fees for the head coach).

Other Opportunities

The City of Auburn Parks, Arts & Recreation Department has a variety of part-time and temporary positions available for spring and summer jobs. Opportunities include referees and scorekeepers. The minimum age for all positions is 16 years old.

Team Sponsorships

The Auburn Parks, Arts & Recreation Department organizes over 1,600 boys and girls in the Auburn area into t-ball, cub baseball, baseball, fastpitch, volleyball and track and field. Boys and girls, in grades K-12 learn the basic fundamentals in a fun-filled environment. In order to keep registration fees affordable, and to provide team uniforms and equipment, sponsors are needed for teams. In return, the sponsor receives their business or organization name and logo on a T-shirt uniform, an 8x10 team photo plaque and the benefit of helping youth enjoy a positive recreation experience. The sponsorship fee is \$195 per team. Sponsor logo on shirts must be supplied in Adobe Illustrator (.ai) or other usable format. Artwork may be emailed to sportsleagues@auburnwa.gov. Call 253-931-3043 for more information.

Specialized recreation

What is Specialized Recreation?

Specialized Recreation Programs offer activities, trips, classes, sports and social programs for anyone who requires extra assistance, support or has special needs; including, but not limited to people with physical and developmental disabilities. People with disabilities are not limited to these programs. Our Specialized Recreation staff encourage participation and assist in promoting positive experiences to develop appropriate recreational and social skills participants can use throughout their lifetime. An activity calendar is printed every three months with a detailed description of the various activities planned for that quarter. To receive a calendar, call 253-931-3043 or visit www.auburnwa.gov.

Special Friends and Volunteers

Volunteers are crucial for Specialized Recreation Programs. If you enjoy sports, art or social development, we need you. Expertise is not required and supportive training is offered. Volunteers must be age 14 or over; please contact us for a volunteer application.

Fee Waivers and Adult Scholarships

Everyone should have the opportunity to enjoy a recreational experience, even if money is a major concern. You must reside within the Auburn city limits to qualify. Please be prepared to provide proof of residency and income verification for the past three months. Contact us for more information and an application form.

Monday Night Social Program

Young Generation Club provides social and recreational opportunities for adults with developmental disabilities, ages 18 and over. Activities are scheduled Monday evenings. When scheduling ACCESS rides, please plan to arrive no earlier than 30 minutes before a scheduled event. Pre-registration is required for all events. Please double check all program and class locations; as many program locations have recently changed.

Classes

Everyone is welcome to attend classes offered this winter. Check out What's Cooking, Nifty Knitters, Square Dancing, Music Makers, Fitness Fun Fridays, and more.

Trips

Trips provide social and recreational activities for individuals with and without disabilities. Everyone is welcome to attend our trips. Transportation is provided.

Sports Programs

All sports programs are offered for youth, teens and adults of all abilities, ages 8 and over. The following sports are offered this winter: Basketball (Dec-Feb); Rollerskating (Dec-Feb); and Swimming (March-May).

Team Sports

Team sports are for athletes with developmental disabilities who are ready to play on a team with the skills and abilities necessary. Competition with other athletes of the same age and/or ability levels are part of the team experience.

Unified Sports and Inclusive Opportunities

Unified Sports provide understanding, disability awareness, and integration between athletes with special needs and partner athletes without disabilities. Equal number of athletes and partners are combined to create teams of similar abilities. Unified Sports is dedicated to improving understanding and breaking down the barriers between persons with and without disabilities.

Individual Skills

The Individual Skills program teaches basic skills necessary to play a team sport. Every sport has basic skills that are building blocks for more complex movements and coordination. The program is designed for individuals with developmental disabilities of the same ages and abilities to still participate while learning the basic skills and concepts of the sport.

Cancelled Program

If a program is cancelled by the Parks, Arts and Recreation Department, the registrant will receive a credit on account or full refund. Refunds will be issued by same form as initial payment (e.g. credit card to same credit card, cash or check will be a check refund).

Prior to Start of Program

Refund requests made (3) business days prior to the start of a class, workshop or activity must be made to the department in writing, by phone, or in person, stating the reason for the request. Refund requests made less than 3 business days prior to the start of a class, workshop or activity are subject to a Division Manager approval or his/her designee.

For activities with a fee of more than \$5, a \$5 administrative fee is charged. For activities less than \$5, a credit is placed on the individual's account. There is no administrative fee for credits placed on account. Late fees are non-refundable. For programs requiring the purchase of a pre-paid ticket or admission fees, that portion of the fee is non-refundable unless the spot can be filled by another registrant.

After Start of Program

Refund requests made after the activity has begun, due to illness, injury or unforeseen circumstance, must be made in writing and may be granted on a prorated basis. Requests must be approved by a Division Manager or his/her designee. 1. Repeat the program at no additional charge
2. Receive a credit that may be applied to another activity
3. Receive a refund with no administrative charge

The written request must be received before the third scheduled activity and must be approved by a Division Manager. This policy applies to all programs except trips and tours, outdoor programs, flex option classes and all adult and youth team sport leagues.
